# HOSPITALITY 2

CLASSIC AND MODERN

# DESIGN – COLOUR – QUALITY

## WE CAN OFFER WHAT YOU NEED

Let us have details of your requirements – overall design or infill, outfill and borders in square metres

We produce the chosen design to include the main body of the carpet (infill), and if required, borders and outfill all from 4m wide material. See picture left.

This sketch shows you and your installer how to fit the printed carpet. With all components shown. Infill, borders and outfill.

Your Halbmond Chromojet carpet correctly installed and ready for use.

Colours within our standard colour banks can be interchanged within the designs shown in this brochure. There is no charge for these changes.

If colours in our standard colour bank are not suitable for your interior scheme changes can be made, but at an extra cost.

Adding to or changing a design element is possible at an extra cost.

If changes are made to our standard designs and colours, a trial may be produced for your approval.
